

COVID - SAFETY

Healthy and Safety is our number one priority at GreenEgg Studios. We have put in some protocols to help ensure everyone has a fun time while remaining safe.

- 1) We will be sanitizing all surfaces between sessions. Please do not arrive early for your scheduled time.
- 2) While inside the studio everyone will be required to wear masks other than the child on set.
- 3) Please keep a physical distance of 2 metres from photographer and assistant.
- 4) Please sanitize your hands hands when arriving at the studio.
- 5) If at all possible please use the washroom ahead of time. We would like to minimize public washroom use.
- 6) If you have been out of the country in the past 14 days please reschedule.
- 7) Please reschedule if you are not feeling well or may have interacted with someone who has covid.

THANK YOU!
